Dear Sir/Madam

### **Re: Fritwell Pond Retaining Wall Reconstruction**

I am writing to inform you that we will shortly be starting work to reconstruct the failing retaining wall on North Street.

The works will be carried out under a road closure that is due to start on Monday 9<sup>th</sup> July 2018 for up to approximately 7 weeks. The site working hours are being limited to weekdays, 07:30 to 5:30pm to minimise the impact on local residents. The road will remain closed overnight and at weekends as the road is too narrow to form the required excavations and accommodate passing traffic.

North Street will remain open to pedestrians and dismounted cyclists for the duration of the works.

Please see the attached diversion route plan along with a plan showing the precise extent of road closure required. Oxfordshire County Council apologises for any inconvenience this work may cause.

If you require any further information about the works please do not hesitate to contact the project Engineer, Ahmed Farah by mobile: 078122 37627 or email to: [Ahmed.Farah@oxfordshire.gov.uk](mailto:Ahmed.Farah@oxfordshire.gov.uk), or call Highway Inquiries on 0845 310 11 11.

Yours sincerely,

PP
