IF YOU ARE IN IMMEDIATE DANGER CALL 999

# Snow & ice area information

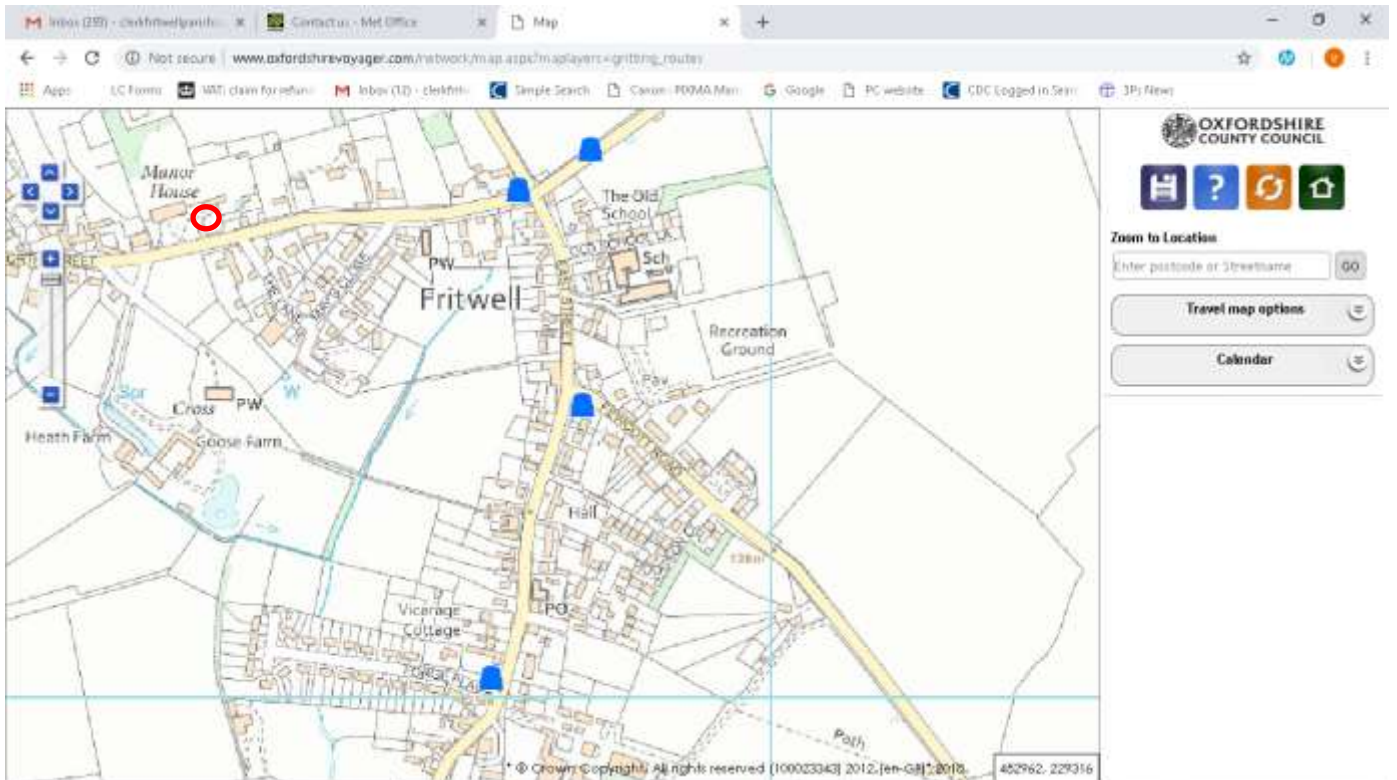

<b>Location/routes at risk</b>	All access roads to village: Fewcott Road, Somerton Road, Souldern Road, Raghouse Lane, Brackley Road	
<b>What is at risk?</b>	All routes, pavements and paths to shop, Village Hall, Church and other survivor centres. Electricity supply, water supply.	
<b>Warnings available</b>	Check the OCC Highways website for the gritting decision that day. Met Office – phone and watch for warnings	
<b>Trigger for activity and action to be taken:</b>		
Trigger 1: Note of specific weather warning from Met Office	Action: Contact Emergency Coordination Group members to discuss by email / phone	
Trigger 2: Local observation of snow/ice in area	Action: Contact Emergency Coordination Group members to discuss by email / phone	
Trigger 3: Roads impassable, Emergency Coordination Group agrees that community snow clearance is required	Action: Contact County Council to confirm local farmers can plough and salt. Contact farmers to ask them to plough and spread as agreed previously Activate volunteers to clear key paths in village and to spread salt.	

## Arrangements in place

<b>Organisations</b>	<b>Agreed arrangement</b>
Parish Council and Oxfordshire County Council	When snow or ice is blocking roads, Parish Council will contact Oxfordshire County Council Highways to inform them that community clearance activity on the highway will take place.
Parish Council and Peter Surman	Peter Surman will store the Parish's winter grit-salt in his barn and will provide access to Parish representatives as required. Tel 345375.
Parish Council and Jason Barlow	Jason Barlow stores the salt spreaders and special salt in his barn and will provide access to Parish representatives as required. Tel: 345065.
Parish Council	Salt will be spread where necessary, following provisions of risk assessment.
